Hints and features:

- The BKT Agrimax Force is an IF tyre for high-performance tractors with more than 250 hp
- It carries 20% higher load capacity at the same inflation pressure or the same payload at 20% less inflation pressure compared with a standard tyre
- The large contact area enables a uniform distribution of ground pressure and therefore optimum soil protection.
- The strong polyester casing ensures good traction and stability on all terrains and a long service life for the tyre
- The tyre guarantees ride comfort in the field and on the road without the need to adapt the inflation pressure
