

REIFEN VF 900 / 60 R 38 NRO
187 D, TL, AGRIMAX V-FLECTO
ECE106

Product-No.: 10002373

Technical Information:

Tyre size	VF 900 / 60 R 38 NRO
TL / TT	TL
LI / SI	187 D
Tread	Agrimax V-Flecto
Manufacturer	BKT
Recom. Rim	DW30B
Permissible rim	DW27B
Width [mm]	881
Outer diameter [mm]	2.045
Static radius [mm]	882
Rolling circumference [mm]	6053
Payload in kg at kph (1)	9750 / 65
Inflation pressure [bar]	2,00
Weight [Kg]	424,7
Stud height [mm]	61,0
Number of studs	20x2
Zulassung	ECE 106
NRO	NRO
Tyre technology	VF
Direction bound	Yes

Hints and features:

- The BKT Agrimax V-Flecto is a VF tyre of the new generation
- Compared with a standard tyre, the tyre achieves 40% more load capacity at the same inflation pressure or the same load capacity with 40% less inflation pressure
- In contrast to most VF tyres, the tyre can be mounted on a standard rim (NRO=Narrow Rim Option)
- Its 10 % larger contact area compared with a standard tyre enables outstanding traction while significantly reducing soil compaction
- The specially shaped bead (Bead Protection System) closes extremely airtight and keeps the inflation pressure constant in all conditions
- During road journeys, the particular lug angles ensure reduced vibrations and noise levels
- There is no need to adjust the inflation pressure for optimum performance both in the field and on the road
- The extremely strong polyester casing provides a 10 % longer service life in comparison with a standard tyre, even in difficult conditions
